

# THE TRAM CAFÉ

Social Script | Bendigo Tram Café

I am going to the Tram Café.

There might be other people or dogs. It may be loud.

There are steps and a ramp up to the café.  
I must watch for trams when I move around.

I will be greeted by a staff member.

The café is an old tram but it does not move. I can go inside and have a look.

If I need to go to the toilet, there are toilets over the bridge.

I hope I have fun at the Tram Café!
